

2016 Dunchurch Fall Fair Quilt Block Challenge

Help us create a Quilt Block Trail for Whitestone and the surrounding area. Make an outdoor wooden quilt block to enter into the challenge at the 2016 Dunchurch Agricultural Fall Fair. After the fair, display the block within sight of the road on your barn, house, garage, cottage, shed, fence, business or have it free standing.

By displaying the quilt blocks in our area we will be promoting the Dunchurch Fall Fair, agriculture, tourism, business and our community.

- Minimum size is 3 ft by 3 ft
- Directions for making a wooden quilt block can be found on the internet at wikihom.com or barnquilttrails.ca, plus many other sites
- the blocks are to be on the grounds of the fair no later than 10am on Saturday August 20, 2016
- a Quilt Block Trail brochure will be developed with a map, a historical description of the property and any other pertinent information.
