Your Civic Address is: _____
The Owner's Name is: _____
The Directions are: _____

Message from the Municipality of Whitestone:

If you have a FIRE or MEDICAL emergency
CALL 911, state your civic address,
street name and number

If you are unsure of your civic address, please contact
the Municipal Office immediately at (705) 389-2466.

Important Phone Numbers:

Whitestone Conservation Association (WCA) is an independent organization representing Cottage Association members and area residents of the Municipality of Whitestone on environmental issues. We work closely with the Municipality and Council, but are not part of the Municipal organization. For more information, please call any one of our members listed in our Directory, and join us to protect our beautiful countryside and lakes.

Letter from the Editor:

Well, it's that time of year again - the publication of this year's edition of *Welcome to Whitestone* - plus the start of the cottage season!

For the last 27 years, I have tried to be original, witty and informative, in my "Letter from the Editor" - although I have to admit, for some years, I just changed a few words and the date. No one may read my letter, but I do know that EVERYONE reads the Directory - of which I am eternally grateful.

Special thanks to all of the advertisers who make this project affordable. Plus a special thanks to our Production department - Amanda! It could not happen without her.

Have a wonderful time in Whitestone - stay safe and healthy.

Your cottage friend,

Margaret Dailey-Plouffe, Editor

"Welcome to Whitestone" is an annual publication sponsored by the WCA. The opinions and views expressed are not necessarily those of the WCA or the Editor. For information regarding article submissions or advertising rates for the 2024 Edition, please contact the Editor at 55 Holitman Drive, Ottawa K2J 2K1; 647-504-3030, or e-mail at whitestonedirectory@gmail.com

For more information regarding Cottage Association memberships in the Whitestone Conservation Association, please contact any member of the WCA Executive. We are encouraging independent members to join.

Greetings from John Wesley, WCA Chair

Welcome to Whitestone in 2023

We are still working hard behind the scenes to ensure Whitestone is enjoyed by everyone no matter your choice of recreation.

Again this year we are still faced with some challenges with of the viruses that come in waves. We do not want to provide an opportunity at a gathering exposed innocent people . We also have so many other planning issues , coordination of volunteers, locations etc. that at short notice are difficult to put together. To plan for everyone to be prepared could all be a waste of time and effort. We want to be sure so when we do something it goes smoothly. With that being said we will not be running bingo again this year.

We have successfully run our Treelings fundraiser again this spring and thank you to all who supported this initiative. It is important to plant trees as it not only beautifies our community, but it is good for the environment and helps to protect our shorelines and our property privacy.

We are always looking for new members who can assist us with some time to help us reach our goals to support things such as bursaries for the schools , funds for the nursing station and Library. Please contact me directly at 705 774 1795. I would love to talk with you about joining us.

We have so many people who care and give their time to help us keep this a very special place to live , work , and play. Please don't throw your garbage out of your car onto our roads. It takes a few seconds to gather it all and dispose of it properly. Also make sure materials and garbage in the bed of your truck is properly tied down so it doesn't blow out as you travel. If we all just take a couple minutes to care we all benefit from it and so does Whitestone.

As I mentioned last year please have your septic checked and pumped out every two or three years depending upon the use. If your system is over 25 yrs old it is in your own best interest to have it checked and make repairs if needed it could save the majority of your system and save you from having to replace it all.

I want to thank my board for their support. They all put in a bit of time and effort so that no one is overworked.

I hope you continue to enjoy Whitestone. I ask that you do your part to keep it pristine. I hope to meet you sometime over the next year.

John Wesley

PROPERTY-OWNER ASSOCIATIONS IN THE MUNICIPALITY OF WHITESTONE

The Municipality of Whitestone is home to approximately 1,000 permanent and 3,500 seasonal residents. Many areas have banded together to form organizations with a common goal – protecting and conserving the environment. Fish management and water quality issues are being addressed on an annual basis. Through participation in the Lake Partners Program these organizations keep well informed of the ever increasing environmental concerns that affect all property owners in Ontario.

GOOSENECK LAKE PROPERTY OWNERS ASSOC.

- President: Barb Blasutti – blasutti.bb@gmail.com
 - Vice President: Marty Boyle – jboyle000@gmail.com
 - Secretary/Treasurer: Matt Clermont – mclermont61@gmail.com
 - **Annual meeting : Saturday August 12, 2023**
- Website: goosenecklakeassociation.ca

HARRIS LAKE AND SOUTH MAGNETAWAN COTTAGERS' ASSOCIATION

- Membership draws from approximately 200 cottages including a few hunt camps – only 10 of these cottages are in Burton Township.
- President: Richard Walda E-Mail: info@hlsmr.org
- **Annual Meeting: Sunday August 6, 2023 10 am E-mail for more information**

MAGNATAWAN PIONEER ASSOCIATION

- Founded in 1924. Membership consists of approximately 50 property owners on Miskoway Lake (aka Semikoka), Bolger Lake, Portage Bay, Kashe Lake & White's Lake
- President: Kelvin Williamson Cell: 647-801-4109 kwillikj@gmail.com
Address: 4109 Bridgeport Dr., Jordan Station, Ontario L0R1S0
Directors: Jim Davies; Eric Huffman; Marilyn Rootham; Marsha Murphy
- **Annual Meeting: Saturday August 12, 2023 at Kashegaba Lake – at "Bolger Station"**

WAH-WASH-KESH CONSERVATION ASSOC.

Board of Directors

President - Lynn Brennan lynnmbrennan@gmail.com
Past President - Don Comrie
Treasurer - Barb Cribbet
Directors - Terry Tweed, Rob Guimond, Steff Rauh, Chuck Thody

- **Annual meeting – Saturday August 5, 2023 9:30 am at Bennett's Barn**
- See website for current contact information – www.lakewashkesh.ca

WHITESTONE CONSERVATION ASSOCIATION

- Formerly Hagerman Ratepayers Association - September 2, 1995
- Membership consists of 15 Property Owners Association plus individual members.
- For a listing of the Executive and Property Owner Associations/Road Groups, see page 4

Annual General Meeting of the Whitestone Conservation Association

Date: Saturday July 8, 2023 at 10 am
Location: Dunchurch Community Centre

TOPIC: Shoreline Enhancement
with special guest Julia Sutton of Sweet Fern Consulting

**We look forward to meeting with everyone –
all property owners and residents are encouraged to attend.**

WCA BINGO **Due to Covid, our weekly summer Bingo will be postponed until 2024.**

Over the years this has been a Summer event that everyone has looked forward to; usually attracting well over 100 players each week - both young and old.

In recent years, it has been a fund raiser for the Whitestone and Area Nursing Station.

We are looking forward to 2024 but need volunteers to make this event happen. Please get in touch with any of the WCA Executive if you are interested. Thanks!

The WCA Scholarship Bursary

In our twentieth year to award the Whitestone Bursary Award, a \$250 scholarship was presented to a local secondary school student who is pursuing a post-secondary education in an environmental field of study.

Greetings from:

On behalf of Whitestone Council, I am pleased to extend greetings to all residents, and a warm welcome to visitors in our community. Blessed with the rugged natural beauty that is typical of the Georgian Bay Biosphere Reserve, Whitestone has something for everyone in every season: lakes and rivers for fishing, swimming, canoeing, and kayaking; wilderness camping; deep woodlands with gorgeous fall colours; miles of snowmobile trails; dazzling sunsets; and loads of fresh air and tranquility to lift one's spirits.

If you are visiting Whitestone for the first time, we hope you will take advantage of our two walking trails (Whitestone Lake Trail and Nesbitt Trail), our waterfront park and playground facilities at the Dunchurch Beach, and the public landings on major lakes in the Municipality. There is lots to explore in the area. Our newly renovated and expanded Whitestone Public Library and Technology Centre in Dunchurch is also worth a visit.

Our Whitestone and Area Nurse Practitioner Led Clinic in Dunchurch ("the Nursing Station") has recently doubled in size to accommodate more patients and provide a wider range of health care services to the local community. We are proud of the strong community support for this important project, and grateful for financial assistance of the Government of Ontario.

Whitestone is a charming and vibrant community made up of permanent and seasonal residents from all walks of life – a mix of rural and cottage country. We are few in number, but strong in spirit: a spirit of caring and generosity that stems from the early pioneers who faced adversity to establish this area. Volunteers contribute so much to our community through the many committees, boards, and organizations listed in this booklet. I know you will enjoy meeting them.

We hope you will patronize our local businesses who provide many important services to residents and visitors, including food and beverages, groceries, camping provisions, construction, repairs and maintenance, and marina services.

Please respect our beautiful but fragile environment by disposing of all waste materials properly at one of our landfill sites. And please be sure to obtain a free permit, available 24/7 using any internet-connected device, before starting an outdoor fire, and please observe all required conditions for safe burning. Thanks, and stay safe!

George Comrie

Council Meetings

Regularly scheduled and Special Council meeting information can be viewed on our website. Go to whitestone.ca/p/council-agendas-and-minutes for meeting schedules, agendas, minutes, and audio recordings.

The public is welcome to join Council meetings, which can be attended either via Zoom video conference, call-in or in person. For Regular Council meetings the meeting agenda will be made available on the municipal website on the Friday before the meeting date. Special Council meetings may be schedule as Zoom video conference or call in only.

Committee/Boards of Council

The Municipality of Whitestone establishes advisory committees and boards to fulfill a variety of mandates and to make recommendations to the Council. These committees include members of the public, as well as members of the Council. Volunteering for an advisory board or committee is one of the many ways residents can serve their community. Meetings are open to the public, and the meeting dates, agendas, and minutes are posted on the municipal website whitestone.ca/p/boards-and-committees-agendas-and-minutes.

## Community Interest Groups and Associations

### **Dunchurch United Church Women**

Meeting monthly for Christian fellowship and fund raising for Knox United Church. The UCW plays an active role in the spiritual life of the church. Through church socials, the UCW inspires friendship and welcomes new people into the church family. Dates for the annual events will be released during the year. Please contact Lynn McEwen 705-389-8339 or at themcewens@gmail.com for more information.

### **Ardbeg Community Club**

The gathering place, where friends become family. Featuring every Tuesday Rock Night at 7pm and Thursday Night Country Jam at 7pm. All are welcome!!

For upcoming events and information please feel free to check out our Facebook page at **Ardbeg Community Club**. **Hall Rentals are available.**

If you have a birthday, reunion, luncheon, wedding or any type of function and need a place to hold it, please check us out! Great rates are available to the community. Please Contact Club President Troy Burgess at troy.burgess@hotmail.com or 416-949-4922.

### **Whitestone Historical Society**

The Whitestone Historical Society was formed to foster the recognition of the unique heritage of the Municipality of Whitestone and the surrounding area, and to encourage its preservation. The Society has produced 5 books each featuring areas of our Municipality: **AHMIC HARBOUR**, the story of Croswell's Landing; **DUNCHURCH**, the story of Newcombe; **BUTLER'S CREEK to the HARDSCRABBLE**, including Maple Island and Glenila; **WHITESTONE**, from Gordon Lake to the Bunny Trail; **ARDBEG**, Boakview and the Bunny Trail; plus 2 two-books sets: the first is **DUNCHURCH TO THE MCKELLAR TOWNSHIP LINE**; the second set includes **AHMIC HARBOUR TO DUNCHURCH** and much more in the first book with the second book titled **WE MUST NOT FORGET** the story of those who Served. These books can be purchased at Duck Rock in Dunchurch, Bearly Used Books and the West Parry Sound Museum in Parry Sound. For more information please contact Fay Clelland 705-389-3293 or e-mail: fay-larry71@hotmail.com

### **Whitestone Rod & Gun Club**

Through its Annual Fishing Derby, the Club promotes fishing for the young and 'young at heart'. This event raises money toward education in hunting and fishing, plus towards fish restocking and hatcheries in the area. The club also assists in the water testing and fish management of the local lakes.

The Whitestone Rod & Gun Club usually meets monthly (Sept. to May) plus provides its Members with a Subscription to the **Ontario Federation Of Anglers And Hunters (OFAH)**, which includes many other benefits (e.g., Insurance savings, travel discounts, and etc.).

For more information, please contact President Kevin Kelly 705-241-6117; or Secretary Heather Chambers 705-346-1630, e-mail heathershaws@hotmail.com

### **CRAMADOG SNOWRIDERS SNOWMOBILE CORP.**

*A proud member in good standing with the Ontario Federation of Snowmobile Clubs*

Please email – cramadogs@gmail.com for more information.

**Directors: Glen Dadswell, Jim Greenwood, Dan Holmes, Dave Matson, Brian Pollard, Al St. Jean, Larry Watkinson and Kelly Whittet.**

Come and check out our scenic trails! We promote safe riding for your sledding enjoyment. New volunteers are always welcome! Just give us a call!

**Trail permits can only be purchased online at ofsc.on.ca – Follow the directions. Please choose Cramadog Snowriders when asked for a club to support.**

**Please visit and like us on our FACEBOOK page and Cramadog.com**

### **Dun-Ahmic Snowriders**

Proud Member of the Ontario Federation of Snowmobile Clubs  
*Come out and enjoy our scenic trails, proudly maintained by our volunteers. Remember "Buy Where You Ride"*

For information on Trail Permits and Volunteering...

## The Whitestone McKellar Lions Club

The Whitestone McKellar Lions Club has been serving the community since its inception in 1972. The Lions motto is 'We Serve'. Voids and niches in the community are identified and the Lions members strive to fill it.

This past year the Lion's Club has made a significant donation of \$5000 the Nursing Station expansion fund. We've partnered with community groups to offer a Gingerbread House contest at Christmas, a tied quilt project to raise awareness for Childhood Cancer, sponsored/judged a snow sculpture contest, organized an Earth Day roadside clean up and supported families

during the holiday season with toys and food baskets.

Being a Lion member allows you to give back to your community as well as be part of an international organization that serves the world. In order to maintain the level of service to our Community, we desperately need new members. For more information on how you can be part of this general and worthwhile Community organization, please contact

**President, Joyce Campbell**  
519-502-9399 or [joymbell49@gmail.com](mailto:joymbell49@gmail.com)

This unique Northern Ontario garden is nestled amongst the trees atop a hill overlooking Georgian Bay. Constructed in the 1920's, the original flagstone paths connect rock gardens, goldfish pond and raised perennial bed tended by volunteer gardeners. The expansive view from the Tower takes in the Town and spectacular sunsets over the Bay.

Open to the public year round on George Street in Parry Sound.  
For more information about visiting the Garden or becoming a volunteer visit [www.towerhillheritagegarden.org](http://www.towerhillheritagegarden.org)

## Things to know when you are enjoying Whitestone:

- 1. So you want to go Fishing:** first you must have an Ontario Outdoors Card (\$ 8.57 +hst) then purchase a fishing licence - cost depends on how many fish you want to catch and/or release, also the length: one day, one year etc. No charge for over 65 years or under 18. **FREE FISHING WEEK - July 2 to 10, 2022 Check [www.ontario.ca](http://www.ontario.ca) for complete info.**
- 2. So you want to put your Boat in our lake:** A Boat Licence (Pleasure Craft Operator Card) is required for any age and any motorized boat. There are some exemptions for children. Check before you operate. Fines can be charged for boating offences. ALWAYS be considerate of other boaters; non-motorized craft (ie. canoes) and remember SPEED destroys docks & shorelines! **Check all the particulars at [www.boaterexam.com](http://www.boaterexam.com)**
- 3. So you just got an ATV:** now called ORV (Off Road Vehicle)- are permitted on highways (not 400 series) with the operator having a valid driver's license; helmet; be 16+; wear seatbelt if provided and obey the rules of the road. Your passenger must be over 8 years; wear a helmet and seatbelt, if provided. **Suggested reading: the Smart Ride Safe Ride handbook. [www.mto.gov.on.ca](http://www.mto.gov.on.ca)**
- 4. You've got the marshmallows ready - now light that Fire!** But first you need a Fire Permit -for all fires/campfires (small fires for cooking, warmth and recreational purposes). Available at no charge, from the Municipal office or now online (24/7). For other(larger) fires, you must contact the Whitestone Fire and Rescue Service, pre-inspection might be required. **On-line fire permit: [www.whitestone.ca](http://www.whitestone.ca)**
- 5. Got the popcorn, nestled in front of the TV, ready for NETFLIX - now let's talk WIFI.** But not at your cottage...SO borrow a movie or television show from the LIBRARY !!!! Just recently enlarged, the Library is a wealth of information and activity. **See page 17 of the Welcome to Whitestone Directory.**
- 6. Waiting for an important e-mail message and no WIFI at the Cottage?** Never fear, there is free WIFI throughout the Municipality of Whitestone (no password required).  
A) Community Centre B) Maple Island Thrift Shop C) Municipal Roads Garage - 2125 Balsam Road D) Ardbeg Fire Hall PLUS at the Library - also offering free use of computers, business services and programs!
- 7. Someone asked to rent your cottage to help defray your tax bill ?** Did you know that a Rental Permit is required if you are renting your cottage for more than two weeks in any year? You must complete a Rental Unit Application - fully completed and supply all the items on the Checklist - plus a fee of \$ 200. **Contact [www.whitestone.ca](http://www.whitestone.ca) Ext. 22 for Paula or Ext. 23 for Michelle. Rentals of greater than 30 days are exempt.**
- 8. Your son is getting married and they are having the Bachelor Party at your cottage!** Please be advised that there is a NOISE Bylaw in effect - no amplified sound after 11 p.m. And if they start early and get rowdy - excessive screaming, loud singing etc. is never tolerated! Remember - we are all up here to have fun and enjoy the peace and quiet. Keep your noise inside.

**The WCA takes no responsibility of the contents of this page.  
Entirely for entertainment purposes.**

## Dunchurch Agricultural Society Fall Fair

August 18th and 19th, 2023  
135 years of Bloomin' Fun

The Dunchurch Agricultural Society Directors and Volunteers are working hard to bring an exciting fall fair festival to you this year! This will be our 135th fair and as the theme suggests, we are celebrating all things that bloom!

There will be artisan demonstrations in the dome alongside our vendors, lots to see and learn.

We are adding two new specials this year: Maple Syrup and Honey so I hope to see your backyard gold in the lineup to pit against your fellow enthusiasts. The results should be SWEEEEET!

Please look for us on our Website:  
[sites.google.com/site/dunchurchfallfair](https://sites.google.com/site/dunchurchfallfair)

And on our Facebook page: Dunchurch Fall Fair

Email: [dasfallfair@gmail.com](mailto:dasfallfair@gmail.com)

Secretary/Treasurer: Juliette Terry — 705-389-9520

## WATER QUALITY IN THE MUNICIPALITY OF WHITESTONE

GEORGIAN BAY  
BIOSPHERE

Starting in 2020, the Municipality of Whitestone partnered with Georgian Bay Biosphere to coordinate and conduct a 3 year program of Benthic Monitoring on Whitestone Lake. Under the leadership of Dennis Morrison, of the Whitestone Conservation Association, the third year is now being completed. Lake Wah Wash Kesh joined the program in 2021, now completing its' second year. Lorimer Lake is in the process of their year one program. This program will continue with always three lakes in the Municipality of Whitestone getting tested each year.

**ADDITIONAL WATER TESTING** – An annual test is conducted by the WCA, under the direction of Dennis Morrison, on the following lakes: Whitestone, Limestone, Lorimer, Fairholme, Taylor, Gooseneck and Simpson. This is done at the end of Summer. If you know of any additional lake that would be interested in receiving these tests, please contact any member of the WCA Executive.

The WCA members are very grateful for the tremendous amount of time and knowledge that Dennis Morrison brings to the water programmes in Whitestone. Our hat goes off to Dennis.

## DISCOVERY ROUTES

**Whitestone Lake Recreational Trail** makes a 2.9 km loop through a diverse mixed forest with towering hemlock and vibrant oak trees. It is a steep climb to the lookout with sections where the trail's surface may be loose. Sturdy footwear is recommended. Please allow 2-3 hours to complete the loop. The forest is a shared resource available for a variety of users. Caution is required during open hunting season from October to December each year. Please respect private property. This trail is considered "easy to moderate".

**DIRECTIONS:** Off of Hwy 124, take Hwy 520 North towards Ardbeg. Turn left onto Whitestone Lake Road and follow the road straight to North Meadow Cove Road. The parking area and trailhead sign are on the north side of the road. The trail access is approximately 800m from the parking lot.

**Nesbitt Trail** is a 2.5 km one-way trail named in memory of Ricky Nesbitt, a life-long resident of Ardbeg. The landscape around the trail is characteristic of Georgian Bay ecology with expansive bedrock ridges and significant wildlife habitat features. The trail is on public land and therefore it is a shared resource for a variety of users. Forest harvest operations may be conducted in the area and may alter the landscape. Caution is required during open hunting season from October to December each year. This trail is considered "easy to moderate"

**DIRECTIONS:** Off of Highway 124, take Highway 520 North towards Ardbeg. Cross over the railway tracks ( the Logger's Station House Restaurant on the left) and proceed to Clear Lake Road. Continue on Clear Lake Road to the Nesbitt Trailhead sign on the right. Parking is across the street.

# WHY NATURAL SHORELINES MATTER

Natural shorelines are vital to maintaining the overall health of a lake. Naturalizing shorelines by planting native flowers, trees, and shrubs helps keep our lakes swimmable, drinkable, and fishable. Here are four reasons why you should naturalize your shoreline:

### 1. BIODIVERSITY

Did you know that shorelines are called the Ribbon of Life? Roughly 70% of land species and 90% of aquatic species depend on healthy shoreline habitat for nesting, shelter, travel, reproduction and feeding. Healthy shorelines = great fishing!

### 2. WATER QUALITY

Water run-off from streets, rooftops, and other hard surfaces contain pollutants, sediment, and other contaminants that end up in our lakes, rivers, and streams. Natural shoreline plants slow down the runoff, allowing time for contaminated water to infiltrate the soil and get absorbed by plant roots before entering the lake.

### 3. EROSION

Plants with deep root systems hold soil together and mitigate the effects of wave, ice, and wind activity to help prevent erosion. Eroding shorelines literally eat away at your lakefront property.

### 4. PROPERTY VALUE

One algae bloom can lower property value by 30% (estimate by Canadian Real Estate Association). Swimming, fishing, and drinking lake water is prohibited during algal blooms and greatly diminishes the desirability of the lake.

## HOW CAN YOU NATURALIZE YOUR SHORELINE?

There are a variety of design possibilities and plant combinations to choose from for your natural shoreline based on the conditions at your individual site. Some possibilities include:

1. Indirectly restore your shoreline by creating a no-mow buffer along your shoreline. Over time, suitable plants will fill in the buffer zone.
2. Directly restore your shoreline by planting trees, shrubs, and wildflowers along your shoreline.
3. Remove hardscaped materials (retaining walls, gabion baskets etc.) or soften them with plants.
